

STATEMENT OF SUBSTANCE OF INTERVIEW

Please review and enter the following remarks summarizing the interview conducted on November 21, 2007.

On November 21, 2007, the undersigned contacted the Examiner to obtain a new Office Action in view of the fact that the October 4, 2007 Office Action did not address added claims 16-18 (submitted August 13, 2007).

The Examiner acknowledged the missing claims in the discussion of the Office Action and indicated that this paper be filed, and that a new Office Action would be mailed and period for reply would be reset.

REMARKS

This Response, filed in reply to the Office Action dated October 4, 2007, is believed to be fully responsive to each point of rejection raised therein. Accordingly, favorable reconsideration on the merits is respectfully requested.

Claims 1-18 are all the claims pending in the application.

The undersigned gratefully acknowledges the courtesies extended by the Examiner in resolving this procedural matter in this case.

As set forth above in the Statement of Substance of Interview, the undersigned notes that the October 4, 2007 Office Action does not properly address all pending claims. Applicant respectfully requests a period restart of the Office Action and submission of a new Office Action to address all the pending claims, including prior pending claims 16-18.

The Examiner agreed that such a request would be deemed responsive to the October 4, 2007 Office Action and that a new Office Action would be mailed, setting forth treatment on the merits for all the claims and resetting the period for reply.

If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.
